

FERNANDO PALACIOS
Executive Vice President and Chief Operations Officer

Fernando is executive vice president and chief operations officer for MillerCoors. He is responsible for everything that goes into the brewing, packaging and shipping of our high quality beers.

Fernando joined MillerCoors in June 2011, bringing deep technical and quality expertise acquired through his more than 25 years of supply chain experience.

Prior to MillerCoors, Fernando was executive vice president of supply chain and operations at Land O'Lakes, where he also held other senior level positions, including executive vice president and chief operations officer–feed division, as well as vice president of supply chain and operations.

Prior to Land O'Lakes, Fernando held supply chain leadership positions at Haagen-Dazs, Pillsbury and Kraft.

Fernando earned a Bachelor of Science degree in food science and a Master of Science degree in dairy science from Mississippi State University. He earned his MBA from the University of Minnesota.
