

At MillerCoors, we believe that with great beer comes great responsibility, which is why it's important for us to gain an understanding of the change in drunk driving and underage drinking behaviors in every state. We work with retailers and our distributor partners to make sure that our beer is enjoyed responsibly by legal-drinking-age consumers, and we educate the public about ways to prevent drunk driving.

Drunk Driving Prevention

16.2 Million

Since 2009, more than 16.2 million people have become part of our 2020 goal to stand 20 million strong against drunk driving. Our drunk driving prevention efforts include initiatives to find a safe ride home.¹

MILLERCOORS IS A PROPONENT OF TAKING ACTIVE STEPS TO REDUCE DRUNK AND DRUGGED DRIVING:

1. Use of DUI Saturation Patrols
2. Swift and Escalated Penalties for High BAC and Repeat Offenders
3. Increase the Capacity of Detecting, Arresting and Tracking Drug Impaired Drivers
4. Educate About Impairment and Ways to Plan for Safe Ways Home
